

Seeking growth through environmental action

Segregated fund edition

Launching May 25, 2021: The Manulife Climate Action Fund will be available in **Manulife Private Investment Pools—MPIP Segregated Pools** and **Manulife GIF Select InvestmentPlus** contracts.

- Competitive MERs
- Provides access to segregated fund features like **potential creditor protection** and **estate planning advantages**

Objective: This fund seeks to provide long-term capital growth by investing primarily in a diversified portfolio of global equity securities of issuers who are leaders in making positive contributions to climate change mitigation.
