

Manulife asset allocation portfolios

Underlying fund performance

Manulife Investment Management's multi-asset solutions team (MAST) is an investment team made up of over 50 investment professionals currently managing over CAD\$197 billion¹ in client solutions worldwide. For more than 25 years, MAST has been regarded as an experienced, global institutional asset allocation manager, helping investors address complex investment needs. The team has an extensive intellectual capital base that spans the world, from Toronto and Montreal to Boston, Hong Kong, and London (U.K.), and includes portfolio managers, investment

analysts, economists, beta management specialists, portfolio specialists, and a derivatives group. Applying active asset allocation successfully takes an expert team. MAST has built its reputation and global wealth management credentials on its asset allocation expertise.

Manulife asset allocation portfolios offer access to some of the most popular mutual funds and exchanged-traded funds (ETFs) that Manulife Investment Management has to offer.
