For complete fund information, including fund codes and Management Expense Ratios (MERs) of the fund additions, visit [Price & Performance](#).

Name change and Portfolio Manager change

As of May 26, 2025, the **Manulife Global All-Cap Focused GIF Select** has been renamed to the **Manulife Fundamental Global Equity GIF Select**. Additionally, the portfolio management has transitioned to the Manulife Fundamental Equity team, led by Patrick Blais, Steve Bélisle, Derek Chan, Cavan Yie, and Brian Chan.

Fund closure

On May 16, 2025, at 4 p.m. ET, the following fund in InvestmentPlus 75/75 and InvestmentPlus 75/100 was closed. Any money invested or any deposits made to the closing fund before this date were switched to the corresponding continuing fund on May 16, 2025, unless you provided alternate instructions to us before May 9, 2025:

Closing fund	Continuing fund
Manulife Global Thematic Opportunities GIF Select InvestmentPlus 75/75	Manulife Global All-Cap Focused GIF Select InvestmentPlus 75/75
Manulife Global Thematic Opportunities GIF Select InvestmentPlus 75/100	Manulife Global All-Cap Focused GIF Select InvestmentPlus 75/100

Unless you provided alternate instructions to us before May 9, 2025, all pre-authorized chequing plans (PACs), automatic switches-in (systematic switch), and dollar-cost averaging fund switch (DCAF switch) scheduled to deposit into the closing fund were automatically moved to the corresponding continuing fund.

Uncapping, class additions, and objective change

To support the above fund closure, the **Manulife Global All-Cap Focused GIF Select** was uncapped as of May 16, 2025, and was added to the InvestmentPlus 75/100 series as of May 9, 2025:

InvestmentPlus 75/75

Sales charge option	Previous status	New status

Back-end	Capped	SWO
Low-load	Capped	SWO
Elite Front-end	Capped	Open
Elite Back-end	Capped	SWO
Elite Low-load	Capped	SWO
F-Class	Capped	Open
No-load with CB4	-	SWO
No-load with CB2	-	Open

InvestmentPlus 75/100

Sales charge option	Previous status	New status
Front-end	-	Open
Back-end	-	SWO
Low-load	-	SWO
Elite Front-end	-	Open
Elite Back-end	-	SWO
Elite Low-load	-	SWO
F-Class	-	Open
No-load with CB4	-	SWO
No-load with CB2	-	Open

SWO status denotes switches-in only.

Capped indicates closed to deposits and switches-in.

On or about May 26, 2025, the **Manulife Global All-Cap Focused GIF Select** will also undergo an objective change:

Current objective

The Fund aims to protect capital and achieve maximum long-term capital growth by benefiting from diversification which global capital markets offer to investors by investing primarily in equity securities of companies operating in world markets.

New objective

The fundamental investment objective of the Fund is to seek long-term capital appreciation by investing primarily in global equity securities.
