

## What's new in Maritime Life Elite Portfolio (MLEP)

### Fund uncapping

As of February 2, 2026, the **Maritime Life Elite Portfolio Monthly High Income Seg Fund** is uncapped to switches, changing its status from **Capped to Switches in only (SWO)**, allowing movement within the same sales charge options.

The fund remains closed to new and additional deposits, unless they are from an existing PAC.

For complete fund information, refer to the applicable fund facts page on [\*\*Price & Performance\*\*](#).
