Gross performance results does not include advisory fees and other expenses an investor may incur, which when deducted will reduce returns. Changes in exchange rates may have adverse effects. Net performance results reflect the application of the highest incremental rate of the standard investment advisory fee schedule to gross performance results. Actual fees may vary depending on, among other things, the applicable fee schedule and portfolio size. Investment management fees are available upon request.

Past performance is not indicative of future results. Performance shown is the composite as of the date shown in USD. Returns greater than one year are annualized. Inception Date: July 1, 2012.
